Returning to Ohio in 1889 he took up his residence in Lynchburg and has since then been one of our most respected citizens. ## ACT QUICKLY

Delay Has Been Dangerous in  
Hillsboro.

Do the right thing at the right time. Act quickly in time of danger.

In time of Kidney danger Doan's Kidney Pills are most effective.

Plenty of evidence of their worth.

Mrs. A. Elmer, Water St., Batavia, Ohio, says: "Four years ago one of the family was all run down and suffered almost constantly from kidney trouble. We became alarmed. At times for several days he could hardly get around the house. His back was so stiff and lame that he could hardly bend to tie his shoes and when he sat down, he couldn't get up. He couldn't rest well at night and had to get up every little while, owing to kidney weakness. The kidney secretions were scanty and disordered. He had but little ambition and he could not eat. When he got up in the morning he felt tired and his head ached badly. He doctored for some time, but got no better and was about discouraged when a friend told him to try Doan's Kidney Pills. We got a box for him and in a few days after using them, he felt much better. Five boxes made him as well as ever and he was able to look after his work. He can now rest well and gets up in the morning feeling fine. We think Doan's Kidney Pills are a Godsend to those who need a kidney remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other. adv

At all. The sooner they will get it the better

Nothing can possibly be gained by putting it off, and in all likelihood their condition will be aggravated.

The wisest course for anyone to pursue is to let us make an examination at the earliest possible moment.
